

SHOW US WHAT YOU'VE GOT!

Come to NMU and compete for our most prestigious scholarships.

You qualify for the Presidential Scholars Competition if you are a high school senior with an ACT composite score of 24+ or SAT combined score 1160+ and a 3.5+ GPA — way to go!

These scholarships are designed for high achievers like yourself, and named for Northern's past presidents and the spirit of leadership that is pervasive on our campus. Competitors participate in a lively group activity and a personal interview. Don't worry, though, we make it a fun experience! Bring your family and get to know NMU, while we get to know you!
