Dear Ms. Schuda:

The Chicago North Shore Alumnae Panhellenic Association (CNSAPA) is offering several scholarships for \$1,000 each to qualified graduating high school women, residing in the Chicago North Shore area. Successful applicants will be well-rounded women who demonstrate outstanding school and community involvement and academic excellence. This scholarship focuses on a woman's individual achievement.

The selected candidate(s) will be female and committed to attend a four-year college or university which recognizes National Panhellenic Conference (NPC) organizations (sororities) on its campus. While we encourage the recipient to participate in the recruitment process, there is no obligation to join a sorority. Further, the CNSAPA does not discriminate on the basis of race, creed, religion, or color. A woman may want to join the same National Pan-Hellenic or National Multicultural Greek sorority as her mother, sister, and/or grandmother. She would be eligible to apply for this scholarship and should be encouraged to do so.

The deadline to apply for the CNSAPA Scholarship is **Friday, March 8, 2019**. Students will be notified prior to May 31, 2019. Applications must be filled out online at: <http://northshorepanhellenic.net>.

The website at the top of this e-mail gives the student direct access to the application form; they may want to print it out and determine their responses before actually accessing the on-line application. I have also attached information that can be entered into Naviance software on your scholarship website. If students or faculty have any questions, please contact me; my contact information is at the bottom of this email.

As a former administrator at The University of Akron, I'm aware that every little bit helps when students are considering the costs of higher education. Thank you for promoting this scholarship to the senior women at New Tech High School!
